SUMMARY

Specialist in Interdisciplinary Sustainability and Georesources management with diverse practical experience in development cooperation, ESG Analysis, food systems, and institutional communication. I am especially trained in contributing to cooperatives and companies committed to socio-environmental transformation, bringing goal-oriented interdisciplinary thinking and teamwork skills from multilingual and multicultural environments.

WORK EXPERIENCE

Project Coordinator, *SLURP Barcelona* (EU-funded project) *July 2024 – Present*

- Developing project design and execution, along with the expansion of the local network for a sustainable food systems initiative. Design of educational materials and facilitation of sustainability workshops.
- Voluntary work in a multidisciplinary and multilingual team (Catalan/Spanish), serving as the only non-local participant in the project.

German Teacher, Private lessons, Barcelona *October 2024 – Present*

- Providing German lessons for Spanish teenagers. Multilingual work; creation and adaptation of content for individual levels and needs.

Internship – Development Cooperation and Sustainability, Aktion Sodis, Aachen *May 2024*

- Collaborated on reforestation, food security and water supply projects in the Andes, supporting communities vulnerable to climate change. Project development and impact assessment.

Further Experience and Qualifications, RWTH Aachen / Aachen / Trier *2018 – 2024*

- Lecturer '*Human-Animal Studies*'; Strong versatility through extensive and varied additional experience in leading groups and courses, client relations, hospitality, and online work (social media content moderator).
